“ Pam, Ross and Amy,
Sorry to hear of your mother's passing. She was such a fun and cheerful person, and a fellow animal lover. I always enjoyed my visits with her. I still remember many of the stories she told me. She was Dad's favorite cousin. He loved her and your dad dearly. Thinking of you all at this time. - Ruth Ann Doyle

“ Dear Pam, Amy, Ross and Ramona I was so sorry to hear of your mother's passing. My Mom traveled the same journey, and like yours was the last person to deserve it. Your Mom was like a mother to us all at the horse shows of our youth and took such pride in her family, Pam and Amy, the two prettiest girls at the shows, and Ross on his spotted pony. Memories of those simpler days always brings a smile to my face remembering the generosity of spirit not only your Mom, but your Dad and grandma extended to everyone they encountered. I know that Karen Hurley would want me to extend her condolences as well if she were still with us as she held both your Mom and Dad in highest regard.
