“ We are so sorry to hear about Sallie's passing. Our Warhola and Hill families lived about a mile away from each other and were connected through Gill Hall school and community over the years. Sallie will always be remembered for her kindness and loving smile. Our deepest sympathy to your family.

“ Sallie was a bright light in the lives of those she touched. I met Sallie decades ago through her sister, Eileen. I was welcomed into the Hill home in 1967 for Thanksgiving dinner. I was immediately touched by the family's kindness and, of course, by Sallie's musical and vocal abilities. Sallie was simultaneously vibrant, bossy, and lovely. I like to think with her passing that God has called Sallie home to add volume and beauty to His choir. She will be missed.
