“ I worked with Serene at TEDCO for about 8 years in the '80's and '90's. She was a very dedicated and hard work. She was a huge help and asset to the estimating department. I don't know what we would have done without her. She also always participated in the fund raisers that the company sponsored like bowl-a-thons and 5K walks for charity. Not only was she a co-worker, but she was a caring friend as well and always asked about the family. Thank you Serene for your dedicated service and for being a friend. Rest in peace, job well done!
