“ Dear Gene,

I'm very SORRY “😭” about the loss of your mother Dear Sweet Shirley. Your mother and my mother had been friends for a very long time. Shirley would write 📝 long letters at Christmas time her. She would tell my mother about how her and your father ❤️ playing golf and other things they like to do. Shirley would always call your father “CHAPPY” in her the letters when she wrote to my mother. She would ask my mother about me and my 2 children. I don't know if you knew that Shirley was a secretary for South Park High School in 1969 and 1970 when I was at the school. I would see Shirley in the hall she always had a smile on her face. She would stop and talk to me and ask me how my mother Junie was. Those 2 “SWEET” little angels where in the Drum and Bugle Corp 1941-1942 and have been Friends ever since. The Drum and Bugle Corp. Band picture is on the wall at the Griffith Funeral Home. It really meant a lot to me and made me VERY HAPPY 😊 that I could keep in touch with Dear “Sweet” Shirley after my mother died in 2016. Shirley was a Petite Little Lady who has earned her Big Angel 🙏 Wings. She was a kind and caring Friend to me after my mother died. THANK YOU Dear “Sweet” Shirley. I would like to THANK YOU 🙏 John for being there for Gene. Gene when you see 2 🦋 your mother and father are watching over you. Just wanted to say they are VERY PROUD. Here is a picture of Shirley Bornemann 11 years old and Junie Doring 9 years old in the Drum and Bugle Corp. Prayers and thoughts I'm sending your way at this very difficult 😞 time. Shirley and Chappy are TOGETHER 👫 FOREVER. I always wrote in all my cards to your mother ALWAYS THINKING OF YOU.
