“ *Times like these are hard to get thru as for Marilyn and Me (David) we seen the love that bonded two perfect people together, and we hope the memory of such a wonderful husband and friend like Steve will ease the emptiness. May God give Steve the job of watching over us to keep all safe.*

“ *Steve has been one of my longest friends. From freshman year of high school, we watched each other grow up and shared in each other's lives. His greatest joy was meeting Melinda and I still remember how happy he was when he told me he was going to ask her to marry him. The world is a bit darker now without the bright, happy light of Steve.*
