

Steven J. Page

August 8, 1950 - March 31, 2023

Steven Joseph Page, age 72, of Pleasant Hills, passed away peacefully on March 31, 2023. He is preceded in death by his devoted mother, Rosemarie O'Donnell DeWeese, formerly of Springfield, Missouri. He is survived by his loving son, Vincent (Alyssa) Page and daughter, Stephanie (Mike) Sortwell, as well as by eight cherished grandchildren - Everly and Isla Page, and Maggie, Isaac, Frank, Althea, Victoria, and Jacob Sortwell. Additionally, he is survived by Patti Scott Page, former wife of 38 years, alongside numerous nephews and nieces. Having obtained a M.S. in Physics, Steve relocated to Pittsburgh, PA in 1977 where he commenced a 34-year career with the United States Bureau of Mines and CDC's National Institute for Occupational Safety and Health (NIOSH). Professionally, Steve was very proud of having had the opportunity to serve as consultant to NASA regarding lunar dust management. For those that knew him well, Steve held a lifelong passion for music and was exceptional at guitar. Some of his fondest memories were with his friends and family sharing this love and making music. Steve always believed that his inspiration in guitar playing was both a gift and privilege and to his final day never took that gift for granted. Steve was a fervent patriot, proud of his second amendment rights, and for many years was a dedicated member of the Carrick Sportsmen's club. Friends received Tuesday, April 4 from 6-8 p.m. at the GRIFFITH FUNERAL HOME, INC., 5636 Brownsville Road, (at 6th St.) South Park Twp. “ *We feel one of the best New Years Celebrations we had was spending it with Steve and Patti, sitting in their hot tub after dinner, drinking wine and watching the snow lightly falling on us. We think of it every time we are in our hot tub drinking wine on a cold evening. He will be missed. Love, Susan and Richard Thomas.*
