“ Hello Ken and Sherry, Tim and Janet, I'm so sorry for the loss of your precious Susan. I know she fought long and hard and never complained, at least to me. She was always so sweet when I came to visit all of you at your childhood home in South Park/Library. I have many great memories of spending time with Susan and all of you. Also, the 4th of July picnics at my Grandpa George and Grandma Alice's home were such incredible and priceless memories! I really enjoyed those picnics as well with all of my relatives. Yes, Susan never missed sending me Christmas cards; she was so faithful and sweet about sending them. She always updated me via text messages of when and where her next vacation and adventure with you would be. She told me how she really enjoyed her dinners with you at your homes, as well as how you were always taking her on those vacations. You four were truly more than the best Brothers and Sister-in-laws Susan could have asked for. Susan was truly blessed to have the four of you in her life! I will miss her cards, letters, phone conversations and text messages. Thank you for all you did in providing such a full life for Susan, for always taking such good care of her, for always being there for her. May Susan forever live in Peace. And may God Greatly Bless and Comfort each of you. Jim and Sherry are also sending their condolences. Sending my love,
Your Cousin,
Donna

“ Susan was a very sweet young lady.
The memories of my childhood with Susan was ,we were always welcome at my Uncle Kenny's and Aunt Ginny's home when we would visit from Philadelphia. Our cousins, Susan,Kenny ,and Timmy ,would always enjoy taking us out for breakfast and then stopping off at the Race Car Park,where we all had fun.
Also the 4th of July picnics were amazing ,the fireworks were fabulous.
Memories of Susan are etched into my memory forever.
She never missed sending a Christmas Card,which was amazing, always looked forward to seeing that in my mailbox.
Kenny ,Timmy, and their wives will miss Susan's Smiling Face as we all will.
Rest In Peace Susan!!!!

“ I have so many fond memories of summer fun with Susan. As kids we picked berries, built forts, swam in the pool, uncle Henry's, uncle Ray s 4th of July at uncle George's....watching fireworks I have enjoyed staying in touch over the years and loved sharing cards and calls with her. I never felt like I was missing out on any family event as she would always give me the scoop. Her family was everything! I visited her once at her work....she was amazing, dedicated and always strived for excellence. Her brothers are to be envied and admired as well as their wives for their loving care. She truly was the sweetest and I will miss her sorely.
