“ Terri,
You will be missed! I know we did not talk much after we left Melwood. I was so happy when you became a Coder!!
I do not know if you remember.
This is so difficult. I am glad you are no longer suffering, and in pain.
Know that I love you! I considered you a friend. I wish we could have talked more.
I miss you!
Love,
Karen

“ Terri was one of the kindest, most caring, and compassionate people you could ever meet. Her love for her family was endless and overflowing. She always had a kind word to say about everyone, lifting up those around her with her gentle spirit. Terri will be deeply missed by so many whose lives she touched.

Until we meet again, girlfriend—swim with the dolphins, run with the tigers, and play with the monkeys.

“ I cannot believe that Terri is gone, but grateful that she is no longer suffering and in pain! We have been working together for 20 plus years and this hits so hard! I can't even find the words in this moment! I know she loved her boys like no other and was so excited to have her first grandchild. Gone way too soon! I am praying for the entire family and those she has left behind! May she rest in eternal peace! Love you Terri, You will never be forgotten!

“ Terri you will missed. You were always a loving mother and a caring person. I am glad I had the pleasure.
I've been your child care giver in the past and you're friend. Your children could not.
Ask for a better mother. You did everything with them. I never met a mother more devoted to her children than you. Not only your kids will miss you and your family and friends. **THE WORLD LOST GOOD PERSON A DEVOTED AND LOVING PERSON.**
