“ Remembering Val so many ways but this is one I hold in my heart, on our wedding day....she was almost as happy as I was that day. She looked so beautiful.
Rest with God my friend

“ *I have great memories of our families having fun together when we were kids. I never knew how much fun a party could be until your parents invited us to their New Years Eve bash. All night bowling was a gas, too. Going to Dot and Jim's just to visit was always exciting and fun. Didn't need TV. We played games and looked through old pictures to amuse ourselves. Like I said, great memories.*

Rest in peace old friend.
