“ *Aunt Shirley and My Cousins,*

My deepest sympathies for your loss. My memories of my Uncle Wally are so fond. To use one of his phrases, he was a "Great American" but truly he was just a great person! It is with certain hope that I believe he and our other deceased family members are preparing future 4th of July celebrations for all of us in heaven.

Your loving nephew and cousin,

Paul and Mary Beth Then

“ Wally filled a bushel basket of memories for me through the years. Although I wasn't around him in later years more than a day or two at a time, his nature, his gift was to bring to the front all the vitality, all the color that life can bestow. Stories intertwined with laughter, people, places and events, and now this stops? But, I think not. Which year of this or that is not important, because these happenings are always there for me and my 'Wally'.
