“*Pap, although my heart is broken that you are gone, it makes me so happy to know that you are with Grandma. I know how much you wanted to be with her. I want you to know just how much I love you. You were such a funny, happy, and wonderful man. I am so lucky to be your granddaughter. I am fortunate to be able to call you my pap. Dustin misses you so much. He loves you, and I know how much you loved him. You two will always have a special bond. I love you and miss you so much. I think of you all the time. We had such wonderful memories, and I will always remember how you made me laugh. Rest in peace, Pap, and I will see you again one day.*”

“*Today I said " see you later " because I couldn't say goodbye to a very special man, my father in law Walt. He was a great person and an even better father and grandfather. I was lucky to be able to share alot of special moments and great times with him that I will never forget. I know he's back together with Vicky, the love of his life so he's happy. " I love you and will miss you so much. Rest in peace dad."*”

“Dad, I know you're with mom now and that's all you ever wanted since she left us. I just want you to know that I'm so honored that you were the guy I got to call dad. Thank you for everything you ever did for me and for every lesson in life you taught me. I hope I made you proud and I'm going to miss you more than words can describe. I have so many memories that you helped create and I cherish each and everyone of them. I know I won't be able to talk to or ever see you again, but there won't ever be a time that I ever forget you. I love you dad, give mom a kiss for me. Your son, David.

“Grandpa, I will miss you deeply. I will miss our visits and how you used to laugh and giggle at yourself as you remembered things from back in the day. Its hard to realize that I can never see you again, at least on this earth, but I know how rough this past year was on you and God decided you had enough pain. I love you and I will miss you beyond words. Your Grandson,

*David*
