“ Dear Renee, Beth, Jill & Randolph, Riddle & Tobias Families,
Our heart goes out to you in this difficult time. Wayne was an
extremely good man who was driven by his unwavering love and
devotion to his family.
Even though we have not seen each other in many years, I will
always cherish and remember Wayne's wonderful smile and loving
family.

God bless you at this difficult time, and know that Wayne is

“ Dear Renee, Our deepest sympathy to you and you family on the
loss of Wayne. As you know we loved Wayne he started out a
patient and quickly became a friend as did you. We enjoyed your
visits to the CHF clinic. He always accepted our thoughts and
opinions with a smile even if it was the smile with the side glance of
the eyes which usually meant "yeah, right". Thank you for trusting
us with his care and sharing a part of your life with us. We enjoyed
talking with you and meeting Beth and Jill. If all of you keep your
memories of Wayne in your heart he will always be with you.

Love, Cindy and Margie

“ Liz and Jill,

We are all deeply saddened by hearing of the loss of your dad. I especially am sorry that I was unable to pay my respects in person. Many years of memories; passing out dance flyers in the back of the truck, having swimming parties, recent long conversations of all of our new and growing families, etc... Will always stick with me. I know your dad always put others before him. I know that you will all pull together in this sad time and hope that reflections of a great , dad/granddad/husband, are never forgotten. All of the Ricciardis send their deepest condolences to your family.... Jim R

“ Dear Jill,

I am so terribly sorry for the loss of your father. I can truly empathize what you may be currently experiencing as I had the same tragedy in my life when my father passed away in 2005. The best experiences of love, joy and kindness can be referenced as you mourn your father's loss. In time I hope you find peace in knowing that you are a product of your dad's upbringing, which includes his support in your development as an amazing daughter, woman, mother and artist. I wish you peace as you transition in life without your father. My love to you, your husband, children and family.....Jay Kirk
