“ Bill will be deeply missed A very resourceful man, readily helping others creating wood projects and fixing many household appliances. I will seriously miss the great times together, especially at family reunions. Amazing, how many world problems we solved after a few beers.  
May God bless Bill and keep him safe.

“ Too many great memories to pick from...

*The family gatherings at Valcheffs in Johnstown stand out, Bill and I were "Outlaw In-laws" along with Kurt and Ossie - all lucky enough to be married to wonderful Valcheff girls.*

*Beach vacations on Emerald Isle and Sandbridge were always fun too.*

*Seeing how hard Bill and Ginger worked to make the Block Party successful was truly inspirational. They were great events that were enjoyed by many of the neighbors.*

*I will miss my old buddy, but I will make sure he stays with us by remembering him often.*

“ Bill was a kind, caring soul. I met him when he came to Wellness Center, 3 days a week. Despite his ailments, he always had a smile on his face. He will be sorely missed.

“ So sorry for your families loss. I worked with Billy at Honeywell for 38 years. He helped teach me the ropes back in the day. He introduced me to the Brighton Hotdog Shop in Beaver. If we were working together in Beaver, we would have to go there for lunch, without question. Also, I will never eat a muffin without thinking of Billy. Back in 1985, we would do the fire test in the PPG building in town. Before we started our day, we had to go to the muffin shop in building 2. He would always sing me the “do you know the muffin man” song every time. It still brings a smile to my face today. We will miss you buddy.
